Roxbury HIGH SCHOOL

Project Graduation

Dear Friends,
Roxbury High School parents are organizing our annual Project Graduation for the Class of 20--. Project Graduation provides seniors with a substance-free atmosphere to celebrate their success. This meticulously planned, fun, eventful and exciting evening is free of tobacco, drugs and alcohol. Past response from the kids has always been very enthusiastic and we are working towards continuing the tradition. This year's celebration will be held at Funplex on graduation night.

Project Graduation is planned to ensure a fun and safe evening for Roxbury seniors. This is a totally self-supporting program; we receive no funding from the school budget. It is only through the generosity of parents, townspeople and the area business community that we have been able to host Project Graduation for the past several years.

As in the past, we depend on the generosity of local merchants and suppliers for donations to help defray the cost of the affair. We are writing to ask for your support of this great event. It would benefit our program tremendously if you could assist us through monetary contributions, door prizes, gift certificates, or any donation you feel appropriate. We are on a very limited budget and any donation would be greatly appreciated.

The graduation class and their families greatly appreciate your support and look forward to publicly acknowledging your kindness. As in the past, the Roxbury Board of Education will acknowledge participating business merchants, corporations and sponsoring groups through local newspapers, programs and flyers and in its annual school report to township residents.

On behalf of the class of 20--, we sincerely thank you for your support in making Project Graduation a huge success and providing a safe environment for our graduates and future leaders. Please also remember that if we can collectively prevent one accident or fatality on graduation evening, our time and efforts have been successful.

Sincerely,
Roxbury High School
Project Graduation Committee
